

Presents in Concert:

Priscilla Herdman—October 19

A singer's singer with an exquisite voice, Priscilla Herdman is an extraordinary songfinder, an eloquent performer, and a much-admired interpreter of contemporary folk music. Her many albums include the award-winning family and children's albums "Stardreamer" and "Daydreamer," as well as the highly-acclaimed trio albums "Voices" and "Voices of Winter," recorded with Anne Hills and Cindy Mangsen. Her 13th CD, "Into The Stars" is to be released later this year. Her appearance at Friends of Fiddler's Green will be enhanced by the harmonically rich acoustic guitar of her guest accompanist—composer and guitarist Max Cohen.

"Priscilla Herdman is one of the clearest and most compelling voices of contemporary folk music." Stephen Holden, The New York Times
